Our History

Lighthouse Outreach Ministries, Inc. (The Ministry) is a faith-based organization which serves as the parent of several sub-ministries which provide services to the citizens of the Metro-Jackson, Mississippi area.

Lighthouse Outreach Ministries, Inc. (LOM) is a non-profit 501(c)3 tax exempt ministry. It is also authorized by the State of Mississippi to solicit and receive donations, contributions and gifts.

In 2008, the Ministry was blessed to purchase the shopping strip of which we had rented one of the suites for nine (9) years. We moved from being a tenant to being the landlord. This business complex building in southwest Jackson, Mississippi houses four different businesses; specifically, a Child Day Care Center, Hair Stylists Shop, and one church which lease space in our business complex.

We have adopted the name "Lighthouse Village" for this multifaceted building. All of the suites within this multifaceted building are occupied.

LOM is a community based ministry actively engaged in kingdom building work by promoting, developing, and administering caring and nurturing activities to strengthen, inspire, admonish and influence its members and the community, at-large, to live godly, holy and responsible lives.
